SPECIAL CASES

REPRESENTATION: If the holder of the driving licence does not present the documents, his/her representative must present his/her original ID card and the authorization of the interested person to be able to complete the procedure, specifying that it is free of charge.

*The submission of documentation supporting **the registration data (address) and IAE (trade tax)** may be replaced by an express authorization so that the Directorate General for Traffic can verify such information by telematic means. For that purpose, the applicant must tick the appropriate box in the application form or fill in the express consent form available at the DGT's website or at the Traffic Departments. If DGT does not receive valid information, the applicant must submit documentation in order to remedy this situation.*
